ALMA MATER

Loyal and truehearted
Let us boost for Crafton High.
We revere her and defend her
As her colors proudly fly.
We will stand for her united;
Of her deeds we'll gladly tell,
Her colors streaming,
Bright faces beaming,
So here's a cheer for her

Let us boost for Crafton High;
Let every heart sing;
Let every voice ring;
There's no time to grieve and sigh.
It's ever onward, our course pursuing.
Let defeat ne'er our ardor cool;
But united we will boost for her—

CLASS SONG

As we graduate
And leave the old familiar places
Bid farewell to friendly faces
That we've known
In our hearts will stay
The memory of high school days
The football games we lost and won
The Junior Prom
The classroom fun
As the years go by
Our thoughts of you will never die
And even until our last day
We'll always think of you this way
Now's the time to say good-bye
To dear ol' Crafton High
Now we're looking far ahead
But we'll be seeing you.

The wheels of student council stand at attention by our school flag.

The STUDENT COUNCIL devotes its efforts to the advancement of school activity in cooperation with the administration. Each member is elected to represent his own home room in order to increase student interest in school government and activity. The Student Council sponsored the annual Christmas project of distributing gifts to various orphanages in the area as well as the successful football dance called "Football Mardi Gras." This year, it originated the crowning of a Homecoming Queen chosen from the entire student body. In the spring of the year, they sponsored the selection of May Queen.

Again this year, a few select juniors have been awarded membership along with the seniors. As a member, each is to maintain the high standards of the society.

plays lent gaiety and spirit. In contrast was the solemnity of music for the Christmas program and baccalaureate. Popular and classical melodies plus hilarious skits made the Spring Concert exciting and memorable. THE CHORUS

This was the first year for our choral director, Mr. Veeck, and under his patient and devoted supervision, it was a successful and memorable one. Although the membership was considerably less than previous years, the chorus was able to work and present many A Cappella numbers. A program of concert and popular music highlighted this year's choral festival which was given May 4th and 5th. The cooperation and hard work of the chorus members and Mr. Veeck was well rewarded by the numerous compliments offered by the audiences. Other events of the year were the Christmas program and various invitations to sing at women's organizations. All of these activities along with the good times the chorus had together helped to make this year, 1960-1961, a memory never to be forgotten.

SENIOR CLASS PLAY

"Little Nell," the beautiful heroine whose parents were losing their homestead, struggled between marrying the poor, but honest Hector Skyscraper, and the rich, mustache curling villain Carlton Bainbridge in the Senior Class Play, under the direction of Mary Ann Bell and Mr. Chieffe, faculty advisor. The combination of the actors' talents, purposefully forgotten lines, "back stage" whispering, lost props, sticking doors, a collapsing chimney and scenery flat made the play a hilarious melodramatic comedy. This, plus the hard work of the directors, stage, advertising and make up crews made the play a success.

JUNIOR CLASS PLAY

On January 19 and 20 the Junior Class presented "More Than Meets the Eye," a situation comedy. The play revolved around Stan who wrote many children's stories under the alias "Grandma Lettie." The attempts to hide "Grandma's" real identity proved to be quite hilarious. Karen Falkenhan and Thom Lageman were student directors, and Mr. Forry was their faculty advisor.

"How could you have lost the football scores?!"

The 1961 GINKGO Staff has worked to produce, for the enjoyment of the whole student body, what we feel is one of the best yearbooks Crafton High has ever had. We are especially proud of the modern cover which is the original design of our art department. Our advertising campaign was more successful than those of previous years. Within the book, sixteen extra

pages were added to last year's quota, and therefore we have been able to include some new and interesting features.

For the first time, the GINKGOS were distributed in the summer, so that the events which took place at the end of the year could be covered.

FOOTBALL

The 1960 football year ended in disappointment with a record of three wins and six losses. After losing to Avella, the team seemed to pick up momentum and won the next two games by several touchdowns. It appeared then to be a winning season. However, the team faltered and won only one more game due to the loss of its first-string fullback and a rash of other injuries. The team was led by the able coaching of Mr. Paul Derrickson, Mr. Paul Kmetz, and Mr. Wm. Mellett.

The team never played for real nor for practice without the help of the loyal managers. Bob Keefer and Bob Drexler headed the crew. Dave Nowicki and Terry Trebilcock were their under-studies.

BASKETBALL 1961

The Crafton High School 1960-61 basketball team finished the season in disappointment. Our final record showed only three wins and fourteen defeats. Only two of the three victories were over other teams in our section, in which we finished in last place. We seldom lost by a great margin of points, however, and in several of our games we bowed to defeat only in the exciting few final seconds. Nine lettermen will graduate this year, leaving five for the foundation of next year's varsity.
